

The Universidad Autónoma de Guadalajara cordially invites you and your students to participate in the student information session which will be held for those interested in continuing their studies in medicine. The SIS will take place at the Hilton Hotel at Times Square in NYC, October 24 from 10am to 1pm. Graduates of our school of medicine will be present to share their experiences during their studies in Guadalajara as well as their return to the United States to study their residence and get their license. Attached you will find a chart which if can be published on your bulletin board. Please tell your students about this event, we will appreciate it infinitely. I am at your disposition if you need any further information on this event or the Universidad Autónoma de Guadalajara and thank you for your attention to the present.

Sincerely
